

## Andrew Howlett Quoted on New Tax Law in Associated Press

**"Who's in, out in small business tax break? It's complicated"**

The Associated Press

08.08.2018

Andrew Howlett was quoted on the new tax rules released by the Trump administration. The rules attempt to clarify the types of businesses that are allowed a 20 percent deduction on income taxes. "They've attempted to draw lines that are clearer than the language" of the tax law, Howlett said. "There are still questions that remain to be answered for taxpayers."

Howlett's comments were picked up by the *New York Times*, among many other outlets.
