

Matteson Ellis Discusses Key FCPA Developments on the FCPA Compliance Report Podcast

FCPA Compliance Report Podcast
09.17.2018

On this podcast, Matteson Ellis discusses Miller & Chevalier's FCPA Summer Review 2018 and Foreign Corrupt Practices Act (FCPA)-related trends through the first half of 2018. Ellis discusses the steady stream of enforcement actions, explaining: "These investigations began under the Obama Administration; as you know, these things take years and years to investigate, to negotiate, to conclude, and what we are seeing now with the DOJ and SEC are explicit messages and statements from them saying that their interest is to make investigations quicker—to close them out."
