

Export Compliance Training Institute Seminar Series

05.13.2019 - 05.16.2019
Alexandria, VA

Timothy O'Toole will speak in the Export Compliance Training Institute (ECTI) Seminar Series event, "ITAR/EAR/OFAC Commercial and Military Export Controls: How U.S. Controls Impact Non-U.S. Companies, Affiliates, and Transactions," on May 13-16, 2019, in Alexandria, VA.

This seminar series will provide both novice and experienced export compliance professionals with an in-depth education on export control regulations administered by the U.S. Departments of State, Commerce, and Treasury as they apply to non-U.S.-located affiliates, parents, and subsidiaries of U.S. companies, and other non-U.S.-based companies who use or resell U.S.-origin products, components, or technology.
