

Jorge Castro Quoted On House Ways and Means Committee Tax Legislation Priorities in Bloomberg BNA

"Democrats Prepare to Move on Tax Priorities in April"

Bloomberg BNA

03.25.2019

Jorge Castro was quoted on the significance of the first House Ways and Means Committee legislative markup under Rep. Richard Neal as chairman. "Neal understands tax legislation that goes through regular order will only be strengthened after going through the committee markup process, which will only bolster the position of the House of Representatives when negotiating with the Senate," Castro said.
