

EMBARGOED!: All Lightning, No China

EMBARGOED! Podcast
09.15.2020

On this episode of EMBARGOED!, Brian and Tim keep their promise to stay China free (for this week, at least) and change things up to bring you an entire Lightning Round-style episode. With the whole world at our disposal (other than China), we cover the following topics in lightning fashion: the latest U.S. advisory on North Korea, the first U.S. sanctions imposed on the ICC, OFAC's MOU with the State of Delaware, two recent OFAC enforcement actions against an individual and a financial institution, respectively, the latest on Nord Stream 2 and Venezuela, and, finally, a wild card segment featuring our first foray into sanctions trivia.
