

Marc Gerson Quoted on Bipartisan Support for Retirement Legislation in The Hill

"Momentum Grows for Bipartisan Retirement Bill in Divided Congress"

Marc Gerson was quoted on bipartisan support for legislation that would help Americans save for retirement. President-elect Joe Biden is unlikely to enact many of his campaign tax proposals if the Republicans maintain control of the Senate. However, retirement legislation is one area where tax legislation has bipartisan support. Gerson, a former majority tax counsel to the U.S. House of Representatives Committee on Ways and Means, said that bipartisan bills have already been introduced in both chambers of Congress giving lawmakers "a really strong foundation to work off of."
