

EMBARGOED!: On Ransoms, Virtual and Diplomatic

EMBARGOED! Podcast
10.06.2021

Brian and Tim are back to discuss ransoms of all shapes and sizes. First, they tackle OFAC's new ransomware guidance and contemplate what it means for the risk faced by victims and others within the ransomware payment ecosystem. Next, Brian and Tim discuss recent OFAC settlements addressing Directive 4 and facilitation and, then, dive deep on the big announcement that DOJ resolved the criminal case against Huawei's CFO with a DPA. Finally, in the Lightning Round, they share quick thoughts on the guilty plea entered by a cryptocurrency expert for conspiring to violate the North Korea sanctions.
