

The Coalition for Government Procurement Webinar: Audits, Oversight, and Enforcement

06.18.2020

Jason Workmaster will present The Coalition for Government Procurement webinar, "[Audits, Oversight, and Enforcement](#)," on June 18, 2020. In the aftermath of the government's response to the COVID-19 pandemic, an increased focus on audits, oversight, and enforcement is expected. This webinar will discuss best practices in preparing for and responding to government oversight, with a focus on how to ensure compliance with your obligations and reduce the risk of adverse findings and time-consuming litigation.
