

Strafford Webinar: False Claims Act Risk in International Trade: Recent FCA Developments, Increased Trade Exposure, Mitigating Risk

08.31.2021

Dana Watts will present, as part of a panel, " [False Claims Act Risk in International Trade: Recent FCA Developments, Increased Trade Exposure, Mitigating Risk](#)," on August 31, 2021. Panelists will discuss the increasing False Claims Act (FCA) risk in the international trade context and examine recent FCA developments, offer best practices, and discuss what actions companies can take to mitigate these risks.
