

## The Incompetent Authority: Questions and Answers (March 2021)

***ABA TAX TIMES***

**03.12.2021**

In this column, Miller & Chevalier Member Andy Howlett, along with Guinevere Moore, Managing Member at Moore Tax Law Group, LLP, provide useful responses to your questions about the tax profession, including tax career, business of tax, tax ethics, and other tax questions with a touch of humor. In this quarter's edition, the authors discuss whether electric cars are eligible for tax incentives, what the name Incompetent Authority alludes to, and the practical difficulties of being stuck at home during the COVID-19 pandemic.
