

Jason Workmaster Provides Update on Key Compliance Issues Regarding GSA's Schedules Program on Federal News Network's "Off the Shelf"

"Off the Shelf: Key Compliance Issues in the GSA Schedules Program"

FEDERAL NEWS NETWORK

06.28.2021

In this interview, Jason Workmaster discussed the impact of the withdrawal from Afghanistan on government contractors, including steps contractors can take to reduce risk. He shared insights on an Armed Services Board of Contract Appeals case that addresses how and when contractors can challenge audit findings and methodologies, and also provided an update on the Court of Federal Claims bid protest involving the Department of Veterans Affairs' Medical Surgical Prime Vendor program.
