

## SCCE Webinar: Handling Remote Compliance Audit Challenges in the Developing World

**11.30.2021**

John Davis will present, as part of a panel, " [Handling Remote Compliance Audit Challenges in the Developing World](#) ," on November 30, 2021. Panelists will discuss the importance of game-planning and scoping remote audits, effectively executing key audit processes from afar, and fostering cooperation, exercising oversight, and navigating organizational politics.
