

## What Boards of Directors and Senior Leaders Need to Know About Workplace Misconduct Compliance and Investigations

**07.18.2024**

Alejandra Montenegro Almonte, Katherine Pappas, and Ann Sultan presented the Practising Law Institute (PLI) course "What Boards of Directors and Senior Leaders Need to Know About Workplace Misconduct Compliance and Investigations," which is now [available on-demand](#). Designed for board members, in-house and general counsel, and compliance and human resource professionals, the program focuses on Board and executive oversight responsibilities for effective human resources compliance programs, including Board oversight of allegations and investigations of misconduct. Course topics include:

- Board and Executive responsibilities, using real-world cases as examples
- Strategies and tools for Boards to effectively oversee investigations and human resources compliance programs
- Common missteps and best practices for mitigating risk and creating opportunities in a changing landscape
