This episode of TRACE International's Bribe, Swindle or Steal podcast featured TRACE's "FCPA Year in Review" webinar with Kathryn Cameron Atkinson, where she discussed Foreign Corrupt Practices Act (FCPA) trends in 2024 and what's in store for anti-corruption policy enforcement under the new administration. "I think there's an interesting mix of policy, legislative, and enforcement activity to talk about in 2024, and obviously some crystal ball work that we can do at this stage of the brand new Trump administration," Atkinson said.
