About Chambers

The Chambers rankings are based on extensive research conducted by Chambers and Partners Legal Publishers, a highly respected English publisher of renowned directories assessing and ranking the world's leading lawyers. Unlike other companies that allow firms to purchase a mention or ranking, Chambers bases its listings solely on outside evaluations of merit. Its researchers investigate law firms and lawyers through an exhaustive process of interviewing clients and competitors in major areas of business law.

About Miller & Chevalier

Founded in 1920, Miller & Chevalier is a leading Washington, D.C. law firm with more than 100 lawyers who practice in the areas of tax; benefits, including ERISA; federal healthcare programs; white collar; federal procurement fraud; international; and related litigation.
