

2017 TAX POLICY FORECAST SURVEY

RESULTS

OVERVIEW

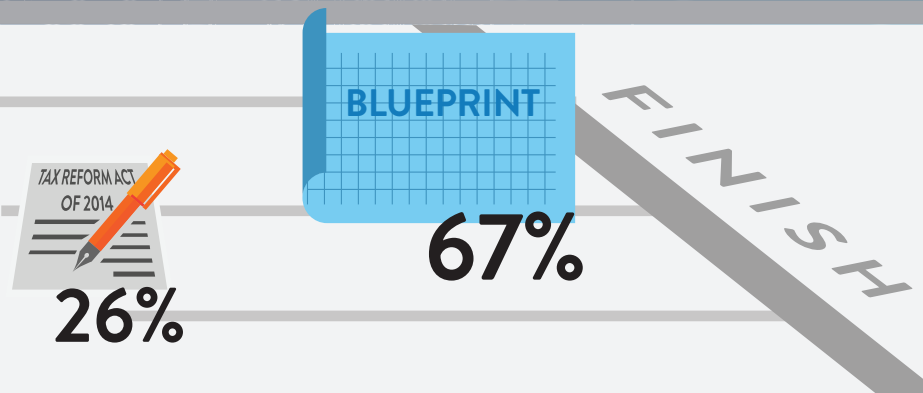

Miller & Chevalier Chartered and the National Foreign Trade Council (NFTC)'s 11th Annual Tax Policy Forecast Survey measured leading tax executives' perspectives on the upcoming tax legislative agenda. Below are the highlights of the survey.

INFLUENCERS

THE BLUEPRINT

Respondents said the House Republican Tax Reform Task Force Blueprint will most advance the comprehensive tax reform debate.

PREDICTIONS

When will tax reform happen?
This year, an overwhelming 84 percent of respondents believe that tax reform will happen this year or next, a percentage higher than ever before.
