# Treasury Sanctions Additional Individuals and Entities in Connection with the Conflict in Ukraine and Russia's Occupation of Crimea

JANUARY 26, 2018

WASHINGTON –The U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) today designated 21 individuals and 9 entities under four Executive Orders (E.O.s) related to Russia and Ukraine, including three individuals and two entities related to Russia's transfer of four turbines made by a Russian-German joint venture to Crimea. Today's action is part of Treasury's continued commitment to maintain sanctions pressure on Russia until it fully implements its commitments under the Minsk agreements. This action underscores the U.S. government's opposition to Russia's occupation of Crimea and firm refusal to recognize its attempted annexation of the peninsula. These sanctions follow the European Union's recent extension of sanctions and reinforce our continued unity in supporting Ukraine's sovereignty and territorial integrity.

As a result of today's action, any property or interests in property of the designated persons in the possession or control of U.S. persons or within the United States must be blocked. Additionally, transactions by U.S. persons involving these persons are generally prohibited.

"The U.S. government is committed to maintaining the sovereignty and territorial integrity of Ukraine and to targeting those who attempt to undermine the Minsk agreements," said Treasury Secretary Steven T. Mnuchin. "Those who provide goods, services, or material support to individuals and entities sanctioned by the United States for their activities in Ukraine are engaging in behavior that could expose them to U.S. sanctions."

Today, OFAC also identified 12 subsidiaries that are owned 50 percent or more by previously sanctioned Russian companies to provide additional information to assist the private sector with sanctions compliance.
